Committee to Elect Keith W. Goehner  
PO BOX 38  
LEAVENWORTH, WA 98826

Ladies and Gentlemen:

It is our pleasure to inform you that the Washington State Council of Fire Fighters is formally endorsing your candidacy for your 2024 Election campaign. We are proud to be part of your success.

We have also included a financial contribution of \$800. As you may know, under RCW 42.17A.455(2), an endorsement by a statewide labor organization such as ours allows for a total aggregate contribution of \$1,200 from all fire fighter locals per election. It does not, however, restrict any voluntary help, i.e., sign building, doorbelling, etc., by our local union affiliates.

From this point forward, aggregate contributions from WSCFF affiliated fire fighter locals cannot exceed \$2,400 in total for the Primary and General Elections. If you receive any further contributions from our fire fighter locals that exceed this \$2,400 aggregate limit, please notify this office, and do not deposit the money.

If you have any questions, or if we can be of any further assistance, please contact AJ Johnson at 425.210.7306 or Bud Sizemore at 253.951.5090.

Sincerely,

Dennis J. Lawson  
President

Greg Markley  
Secretary-Treasurer
